NEIGHBORHOOD NEWS

In November, a deer was found shot near the wooded area between Cromwell and Kingsfield Drive. Both the DNR and West Bloomfield police investigated.

Someone drove a car down the bike path from Dover Ct. to Kingsfield Dr. in February. They broke through the fence and continued through the snow into the adjoining Potomac Subdivision.

Both of these incidents are disturbing. Please call the West Bloomfield Police, a Board Member or IPM Management to report destructive or suspicious behavior in our sub.
