Volume 2 Issue 1

A Fox Run Green

Homeowners Association Publication

*Fall is almost over and winter is just around the corner. Let's all help to ensure that we get the best from our neighborhood snow removal service. Here's what you can do to help:*

- Move your cars out of the street to provide easy access to the road.
- Inform your personal snow removal service that West Bloomfield prohibits putting snow in the street or on someone else's property.
- Be sure to tell us right away if you see a snow removal or salting problem so we can get it corrected quickly.

**Do we have your email?**

The next issue of the Fox Run Green newsletter, The Lair, will be emailed. We want to make sure you are always up to date on what's happening in our community. Email is the most effective and cost free way to do that, so please send your email address to us at [FRG.Email.List@gmail.com](mailto:FRG.Email.List@gmail.com). We will not share any email addresses.

## Important Update

### *New Articles, Bylaws, and Covenants*

We had a community meeting on October 14, 2015 to present the newly proposed Articles, Bylaws, and Covenants. We had a good turn out and received a lot of feedback from homeowners. Based on this feedback, we have decided to keep working on the new covenants and bylaws. We will revisit the sections that were discussed and determine what should be changed. Our goal is to have the newly updated documents completed by late spring, early summer. At that time, we will send all homeowners details of those changes.

## NEIGHBORHOOD NEWS .....

**Many homeowners in our neighborhood have joined**
